Subject:	[EXTERNAL] BLNR Item K1 and BLNR Item K5 Strongly Support Proposed Fines and Penalties for Shoreline Violations
Date:	Wednesday, December 6, 2023 2:38:48 PM

It is very clear that the BLNR must take action to enforce the proposed fines and penalties for both the Freeman property (K-1) and the Van Emmerik property (K-5).
Without enforcement of these fines and penalties the owners in question will only continue to do even more serious damage to our public beaches. By enforcing these actions DLNR will take a proper stand against those who are flouting existing laws as they see fit. This must stop. Please take action.

Thank you, Dan & Deborah Gardner
