Mr. David Sellers
Southwest Airlines
P. O. Box 36611
Dallas, Texas 75235-1611

Dear Mr. Sellers:

Subject: Preferential Holdrooms/Gates for Fiscal Year 2023

The First Amended Lease Extension Agreement provides airlines the opportunity to qualify for the preferential lease of holdroom(s)/gate(s) if they are able to complete a minimum of six daily turns per holdroom/gate. Due to the pandemic and its adverse impacts to air travel, preferential leasing was suspended for fiscal years 2021 and 2022.

With the demand for air travel quickly rebounding, preferential lease of holdroom(s) will be reinstated for fiscal year 2023. Qualification criteria remains the same for all airports except for Daniel K. Inouye International Airport (HNL), which is revised as follows.

1. Minimum of six daily turns on a single gate, or
2. Minimum of five daily turns on a single gate but less than six, and the total number of seats is greater than six times the average seats per turn for all scheduled commercial flights at HNL, based upon the projected flight schedules for the first month of the qualifying period.

For July 2022, the average number of seats per turn for all scheduled commercial flights at HNL equals 387. Accordingly, to qualify under this criterion, an airline must be able to accommodate five or five and one-half daily turns with greater than 2,322 seats on a single gate.

EXHIBIT A

In accordance with the above, and the Preferential Holdroom Lease Policies agreed to in 2013 between the State of Hawaii, Department of Transportation, Airports Division (DOT-A) and the Airlines Committee of Hawaii, four airlines requested preferential holdrooms/gates for fiscal year 2023 as follows.

Daniel K. Inouye International Airport

- Alaska Airlines – Two preferential holdroom/gate
- Hawaiian Airlines – Thirteen preferential holdrooms/gates
- Southwest Airlines – Six preferential holdrooms/gates
- United Airlines – Three preferential holdrooms/gates

Kahului Airport

- Alaska Airlines – One preferential holdroom/gate
- Hawaiian Airlines – Seven preferential holdrooms/gates
- Southwest Airlines – Four preferential holdrooms/gates
- United Airlines – One Preferential holdroom/gate

Ellison Onizuka Kona International Airport at Keahole

- Alaska Airlines – One preferential holdroom/gate
- Hawaiian Airlines – Three preferential holdrooms/gates
- Southwest Airlines – Two preferential holdrooms/gates

Lihue Airport

- Hawaiian Airlines – Three preferential holdrooms/gates
- Southwest Airlines – Two preferential holdrooms/gates

Hilo International Airport

- Hawaiian Airlines – Two preferential holdrooms/gates
- Southwest Airlines – One preferential holdroom/gate

Based upon a review of the aggregate flight schedules at the respective airports and the most efficient utilization of gates, the following preferential holdroom/gate requests are approved effective July 1, 2022, based upon the conditions outlined below.

Daniel K. Inouye International Airport

- Alaska Airlines – Preferential lease of holdroom/gate E2
- Hawaiian Airlines – Preferential lease of holdrooms/gates A13, A14, A15, A16, A17, A18, A19, A20, B1, B2, B3, B4 and B5

- United Airlines – Preferential lease of holdrooms/gates G3, G4 and G5

Kahului Airport

- Hawaiian Airlines – Preferential lease of holdrooms/gates 17, 19, 21, 23, 27 and 29
- Southwest Airlines – Preferential lease of holdrooms/gates 5, 7 and 9

Ellison Onizuka Kona International Airport at Keahole

- Hawaiian Airlines – Preferential lease of holdrooms/gates 9 and 10 (which includes gates 10A, 10B and 10C)
- Southwest Airlines – Preferential lease of holdroom/gate 5 (which includes gates 4 and 6)

Lihue Airport

- Hawaiian Airlines – Preferential lease of holdrooms/gates 3 and 4
- Southwest Airlines – Preferential lease of holdroom/gate 8

Hilo International Airport

- Hawaiian Airlines – Preferential lease of holdrooms/gates 6 and 7

The airlines granted preferential holdrooms/gates understand that the DOT-A has the discretion to gate other airlines' flights on preferential holdrooms when the airline with preferential holdrooms are not utilizing a holdroom. Failure to accommodate other airline flights on preferential holdrooms/gates as directed by the DOT-A will result in the immediate loss of one or more preferential holdroom(s)/gate(s). Further, the DOT-A has the authority to reduce the number of, or eliminate, preferential leasing of holdroom(s)/gate(s) at any time.

All flights by other airlines that are directed by the DOT-A to utilize a preferential holdroom/gate will be assessed the applicable joint use holdroom charge by the DOT-A.
