CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with Hawaii Administrative Rules (HAR) § 11-200.1-15 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred in by the Environmental Council on November 10, 2020, the subject request is exempt from the preparation of an Environmental Assessment pursuant to: General Exemption Type 1, which reads, "Operations, repairs or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing", Part 1, Item No. 40, which reads, "Leases of State

land involving negligible or no expansion or change of use beyond that previously existing.” The subleases are de minimis actions that will probably have minimal or no significant effect on the environment and should be declared exempt from the preparation of an environmental assessment and the requirements of § 11-200.1-17, HAR.

REMARKS:

The lease, issued in 1971 to Keehi Drydock Corporation, was assigned to Amfac Distributing Company Ltd. in 1977.

Amfac Marine Supply, Inc., as successor in interest to Amfac Distribution Company Ltd., assigned the lease to Keehi Marine Center LP in 1984.

In 1999, Keehi Marine Center LP was converted from a limited partnership to a corporation (Keehi Marine, Inc.), which is the current lessee.

Keehi Marine’s sublease requires the sublessee to carry commercial general liability insurance coverage with the following limits: \$1,000,000 per occurrence; \$1,000,000 per person; and \$1,000,000 property damage. These differ from the limits contained in the State of Hawaii’s leases for general liability insurance, which have limits of at least \$1,000,000 for each occurrence and \$2,000,000 aggregate.

At its meeting on May 13, 2022, under agenda item J-4, the Board approved a mediated settlement of the tenant’s base rent reopening for the period beginning February 1, 2016, to the end of its lease on January 31, 2026. Included in the settlement was an agreement for the lessor not to seek participation in the lessee’s sublease rents for that 10-year period due to the six-year after-the-fact nature of the rent reopening. However, DOBOR reserved the right to participate in sublease rents if the lease term were extended beyond January 31, 2026.

At its meeting on March 22, 2024, under agenda item J-3, the Board approved a ten (10) year extension commencing on February 1, 2026, and expire on January 31, 2036, for an aggregate term of 65 years (initial 45 year term, the prior 10 year extension, and the requested 10 year extension).

Staff recommends that the sublessees’ general liability insurance policy limits be changed to bring them in line with those contained in State leases and be issued by insurance carriers licensed to do business in the State of Hawaii with an AM Best rating of not less than “A- VIII”. In addition, staff recommends the State of Hawaii be named as additional insured on the sublessees’ general liability insurance policy.

RECOMMENDATION:

That the Board consent to the subleases under Harbor Lease No. H-70-14 between Keehi Marine, Inc., as Sublessor and PDF, INC. dba Pacific Diversified Finishes, as Sublessee,

subject to any applicable conditions cited above which are by this reference incorporated herein and further subject to the following terms and conditions:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200.1, Hawaii Administrative Rules, this request will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment as de minimis actions;
2. Sublessees' general liability insurance policies shall:
  - a) Contain limits in an amount of at least \$1,000,000 for each occurrence and \$2,000,000 aggregate;
  - b) Be issued by carriers licensed to do business in the State of Hawaii, with an AM Best rating of at least A-, VIII;
  - c) Name the State of Hawaii as additional insured;
3. The standard terms and conditions of the most current consent to sublease form, as may be amended from time to time;
4. Review and approval by the Department of the Attorney General; and
5. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

---

Division of Boating and Ocean Recreation
